

What a half term it has been!

In Science, we have thoroughly enjoyed learning about the digestive system. We also took part in a fantastic virtual workshop with the Horniman Museum, where we explored the skulls of a range of different animals. Using our knowledge of teeth, we investigated their shapes and structures and made predictions about what each animal might eat. We have also created models of teeth and the digestive system to showcase our learning and explain how they work. In History and Reading, we have loved diving into the fascinating world of Ancient Egypt and discovering what made it such a successful civilisation. During our sports sessions, we have grown in confidence and worked hard to perfect our swimming techniques, as well as shooting some hoops with Ize during our basketball sessions in the cage. Finally, we ended the half term on a high by performing for our families! Our performance explored the theme of courage, which has been at the heart of our English learning this half term. We are incredibly proud of all we have achieved and can't wait to see what next term has in store!

Key information and dates

Next half term, PE will be on Wednesdays and Swimming will be on Thursdays

Year group specific dates:

23.11.26 - Balham Library Visit

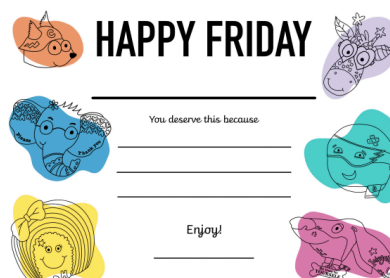

14.12.26 - Upper Christmas Celebration at CGA

Date TBC - Trip to Natural History Museum

For other upcoming whole school events, see the school calendar.

Have you synced our school calendar with your android or apple device? Follow the instructions on the [calendar page](#) on our school website.
